

# Tasmanian Arboretum

|                      |                     |
|----------------------|---------------------|
| Aceraceae 140        | Hippocastanaceae 13 |
| Agavaceae 17         | Hydrangeaceae 25    |
| Anacardiaceae 8      | Illiciaceae 3       |
| Annonaceae 1         | Iridaceae 5         |
| Aquifoliaceae 14     | Juglandaceae 30     |
| Araliaceae 3         | Juncaceae 1         |
| Araucariaceae 50     | Lamiaceae 18        |
| Arecaceae 4          | Leguminosae 29      |
| Asteraceae 54        | Magnoliaceae 75     |
| Atherospermataceae 2 | Malvaceae 15        |
| Aucubaceae 1         | Meliaceae 1         |
| Berberidaceae 21     | Mimosaceae 114      |
| Betulaceae 281       | Monimaceae 1        |
| Bignoniaceae 2       | Monimiaceae 9       |
| Bromeliaceae 2       | Moraceae 2          |
| Buddleiaceae 6       | Myoporaceae 1       |
| Buxaceae 31          | Myrsinaceae 3       |
| Calycanthaceae 1     | Myrtaceae 283       |
| Campanulaceae 1      | Oleaceae 62         |
| Caprifoliaceae 8     | Onagraceae 3        |
| Carpinaceae 5        | Paeoniaceae 3       |
| Casuarinaceae 40     | Palmae 4            |
| Celastraceae 20      | Philesiaceae 1      |
| Cephalotaxaceae 1    | Pinaceae 259        |
| Cistaceae 3          | Pittosporaceae 40   |
| Clusiaceae 1         | Platanaceae 1       |
| Cornaceae 23         | Poaceae 4           |
| Corylaceae 24        | Podocarpaceae 185   |
| Cunoniaceae 31       | Polygonaceae 2      |
| Cupressaceae 278     | Potaliaceae 3       |
| Cyatheaceae 14       | Proteaceae 115      |
| Cyperaceae 14        | Ranunculaceae 5     |
| Daphniphyllaceae 1   | Restionaceae 4      |
| Davidiaceae 1        | Rhamnaceae 26       |
| Dennstaedtiaceae 3   | Rosaceae 100        |
| Dicksoniaceae 5      | Rubiaceae 27        |
| Dilleniaceae 2       | Rutaceae 84         |
| Ebenaceae 2          | Salicaceae 58       |
| Elaeagnaceae 1       | Sapindaceae 4       |
| Elaeocarpaceae 18    | Sciadopityaceae 1   |
| Epacridaceae 59      | Scrophulariaceae 9  |
| Ericaceae 116        | Solanaceae 4        |
| Escalloniaceae 19    | Stachyuraceae 1     |
| Eucryphiaceae 92     | Sterculiaceae 4     |
| Euphorbiaceae 11     | Taxaceae 9          |
| Eupteleaceae 1       | Tetracentraceae 2   |
| Fabaceae 11          | Theaceae 57         |
| Fagaceae 368         | Thymelaeaceae 13    |
| Flacourtiaceae 27    | Tiliaceae 10        |
| Garryaceae 5         | Ulmaceae 18         |
| Gesneriaceae 1       | Verbenaceae 3       |
| Ginkgoaceae 4        | Violaceae 7         |
| Grossulariaceae 44   | Vitaceae 1          |
| Gunneraceae 1        | Winteraceae 11      |
| Hamamelidaceae 17    | Zamiaceae 2         |

## Planting Density & Statistics *(as of 24 July 2009)*

Living Trees - **4098**
